

ACRA'S 2022 ANNUAL D.C. CONFERENCE

REGISTER NOW! EXPANDED EDUCATIONAL SESSIONS AND IMPORTANT WORK ON CAPITOL HILL

ACRA's 2022 Annual D.C. Conference is a significant departure from the ACRA Legislative Affairs Conference built over the past 7 years. In 2022, in response to feedback from ACRA members, the 2022 Conference will be expanded to include a full day of educational sessions dubbed the "ACRA University." These educational sessions will be divided into two "colleges" – Car Rental 101 for new entrants to the industry, and Graduate Studies for more experienced operators.

When coupled with the longstanding features of the ACRA Government Affairs Conference, the ACRA University creates the ACRA 2022 Annual D.C. Conference – three days of operational and political education and advocacy on Capitol Hill on the issues that impact the bottom lines of ACRA operator members directly. Attendance is limited to 100 regular and associate member company executives due to conference room space limitations. So sign up now to reserve your place at the ACRA 2022 Annual D.C. Conference.

To register, go to www.acraorg.com or call Sharon Faulkner at (888-200-2795) or email sfaulkner@acraorg.com.
