

STATE OF NEW YORK
EXECUTIVE CHAMBER
ALBANY 12224

VETO # 115

December 16, 2022

TO THE ASSEMBLY:

I am returning herewith, without my approval, the following bill:

Assembly Bill Number 9343-B, entitled:

“AN ACT to amend the general business law, in relation to vehicle cost recovery fees”

NOT APPROVED

This bill would amend the General Business Law to allow rental vehicle companies to separately charge a vehicle cost recovery fee and disclose such fee to the consumer.

Consumers are already paying high prices for rental cars in New York State. Providing rental companies with the ability to charge an additional fee is not in the best interest of New Yorkers. Because this rental cost recovery fee may be problematic for consumers already surprised by additional counter fees.

Therefore, I am constrained to veto this bill.

The bill is disapproved.
